

CARE AND LEARNING ALLIANCE

Environmental Policy Statement

We believe that businesses are responsible for achieving good environmental practice and operating in a sustainable manner.

We are therefore committed to reducing our environmental impact and continually improving our environmental performance. It is our intention to encourage our service users and associates to do the same. Not only is this sound commercial sense for all we recognise that we have a duty of care towards future generations.

Our policy is to

- Wholly support and comply with the requirements of current environmental legislation and codes of practice.
- Minimise our waste and then reuse or recycle as much of it as possible.
- Minimise energy and water usage in our buildings, vehicles and processes in order to conserve supplies, and minimise our consumption of natural resources, especially where they are non-renewable.
- Operate and maintain company vehicles with due regard to environmental issues as far as reasonably practical and encourage the use of alternative means of transport and car sharing as appropriate.
- As far as possible purchase products and services that do the least damage to the environment and encourage others to do the same.
- Ensure that all employees understand our environmental policy and conform to the high standards it requires.
- Address complaints about any breach of our Environmental Policy promptly and to the satisfaction of all concerned.
- Review our Environmental Policy annually.
