

The Centre

Wellies

The Cromarty Arms and their customers kindly donated £100 to 'The Centre' to help us buy wellies in various sizes so that we can play outside and go for walks in all weathers.

We made a wellie themed Thank You card.

What the children (and staff) are really looking forward to is some snow so that we can build a snowman and play in the snow without worrying about wet feet. We're also looking forward to going for a walk along Reeds Path without getting our shoes muddy.
