

Achieving

"I have made a lead holder for my dog and my new puppy I am getting."

Culbokie

W/C 11/01/2021

Responsible

"I need to saw this bit smaller."

Safe

This week we have done some woodwork, the children showed great hammering and sawing skills. Very creative!

We have made good use of the school equipment in the gym hall doing obstacle courses, jumping onto the mats, swinging and showing some of our gymnastic moves.

We have lots of great conversations over snack time.

Imaginative

"It is a slice of watermelon; I will paint it next week."

Locomotor

"Watch me swing."

"I am going to do a backwards trust fall."

"It is scary!"

"I am going to do a flip."
