

Pancake Play

Pancake Day is Tuesday 16th
February 2021.

Making pancakes with your is a
great opportunity for your child to
learn to measure, mix and a lovely
opportunity to spend time
together.

Play

Cut some 'pancakes' from some
cardboard and number them.

Use them in imaginary play as you
serve one another 'pancakes' or have
some fun flipping them in a little frying
pan or on a fish slice.

How many pancakes can you flip and
catch?
