

## AN UPDATE ON HECTOR, HENRY, HUGO AND HAMISH THE CAT...

Over the last couple of weeks, we have been working on the concept of sharing. We have it down to Hector, Hugo and Hamish the cat sharing but Henry into the mix is still something we need to work on, a lot!!!!

We received a dog cookbook from Auntie Paula, and it is amazing the things you can make for dogs. Not only different varieties of dog biscuits but dog muffins and cakes. I was showing the boys and Hector kept going back to the muffin page, so we are going to make them this weekend and then share them with Spotty dog next door. See, even dogs can show kindness 🐶👩🐶🍰🐶
