(we were using).....

"Im just looking at them " -lavender leaves and flowers

"I found treasure!" - finding white stones amongst all the pink ones.

"we could count them" – feeling for potatoes in the soil

"Mmmm, that smells nice"

"can we have a picnic lunch?"  
"am faod mi piobar fhaighinn?"  
"I don't like pepper"

At the end of our visit all children took turns to pull the trolley, listening and looking out for traffic and pedestrians.
