

With nursery enrolment coming up,  
have you considered a **Gaelic Nursery**  
in Nairn for your child?

For more information call or text Tia or Johanne on 07725 221 119

**We don't bite, honest!**

Like an intimate space for your child to play, learn and develop?

## Cròileagan Inbhir Narainn

is the place for your child!

Running 9.15-3.15pm (term time),

children are introduced to the Gaelic language in a meaningful way in the course of their everyday activities and experiences. The majority of the play is child-led, and through that we use stories and song, puppets and all kinds of props, to embed **Gàidhlig** in their wider learning, so children learn to play, listen and talk in the language at a pace comfortable to them.

Parents do not need Gaelic to support their child, but will be encouraged to learn with them!

Situated in the Nairn Community Centre, we are best placed to be out and about in the community, and enjoy our own allotment plot.
